## SPAIN FAVORED.

The Parliament Have a Decided Leaning Toward the Spanish Peace Commissioners.

## THE AMERICANS TREATED CIVILLY.

One Diplomat Prophesies That the Work Will Be Fullest If America Is Uncompromising.

The Suite of Rooms which the Former Emperor at One Time Used Will Probably Be Acquired by the American Commission.

PARIS, Sept. 28.—While the reception accorded the United States peace commission here is all that could be desired, and while the French foreign office has taken great pains to treat the American and Spanish commissioners in precisely the same manner, it must be admitted that the general atmosphere of Paris, especially the diplomatic atmosphere, does not incline toward America.

It is the general impression here that the American commissioners have instructions to provide for the retention of Manila and the island of Luzon, "and for a commission to pretend to negotiate a peace," said a prominent diplomat. He continued:

"America will put herself, diplomatically, in the wrong when she exceeds the provisions of the protocol, which both nations signed. I know the Spaniards have come prepared to make concessions, but, if the American instructions are of an uncompromising nature, which is generally believed here to be the case, you can rest assured that the work of the commission will be futile. The Spaniards will retire and America will at least have to threaten a resumption of hostilities before she will win her point."

The French newspapers, beyond announcing the arrival of the commissioners, make no comment upon the matter.

The American peace commission, for the first time since its appointment, met as a body Tuesday for two hours in the drawing room of the Continental hotel.

Mr. Ferdinand W. Peck, the United States commissioner to the Paris exposition, is about to vacate his quarters in the same hotel. They were formerly occupied by the ex-Emperor Eugene and have been used by Mr. Peck as offices until his permanent offices on the exposition grounds were in readiness.

The suite of rooms which the former emperor at one time used will probably be acquired by the American peace commissioners. They will be used for executive sessions and official headquarters.

As the joint commission is not a deliberative body, it will, possibly, not organize with a presiding member from either commission. This is deemed in some quarters to be the wiser plan, as tending to promote closer working relations between the two commissions and facilitating an ultimate adjustment. This however, is not positive.

Judith Day and Mr. Whitelaw Reid are quartered at a hotel overlooking the Tuilleries gardens and the other commissioners are equally comfortable.

The Americans enjoyed sunny weather during their first day in Paris and they are all in good health and spirits.

## ABOUT COMPLETE.

System of Civil Government Established in Santiago de Cuba by Gen. Wood.

## IT IS NOW IN GOOD WORKING ORDER.

Maj. McCleary, the Former Attorney General of Texas, Has Been Appointed Mayor of the City.

The Spanish Officials Are Giving Place to Cuban—Lieut. Blount Has Been Appointed to Codify the Cuban Laws.

SANTIAGO DE CUBA, Sept. 28.—The system of civil government established by Gen. Wood is practically complete and in good working order. Maj. McCleary, former attorney general for Texas and a Spanish scholar, has been appointed mayor, and the Spanish officials are giving place to Cuban. Gen. Wood says he does not know the capabilities of the men taking office. They are chosen by a committee of 50 prominent Cubans, whom he believes to be honest and conscientious.

This committee recommends men whom its members think would be efficient in the various offices to be filled. The choice of men by the committee must be unanimous and must be made over the signatures of the entire 50 members. Gen. Wood finds that the plan works admirably. Lieut. Blount has been appointed to codify the Cuban laws.

Senor Rigney, one of the largest sugar planters in Cuba, who has arrived here from Manzanillo, reports the conditions there worse than ever. The insurgents, he asserts, refuse to grant permission for the carrying on of work on the plantations, and the Spanish officials decline to furnish protection to those desiring work. Senor Rigney declares that since the cessation of hostilities the insurgents have confiscated his provisions and destroyed a number of valuable pictures, made his employees into slaves, torn down his plantation and broke glasses worth \$500 each. They are encamped in numbers at the sea town of Campeche, where they compel small vessels which fall into their hands to hoist the Cuban flag.

Gen. Wood has leased the residence formerly occupied by the late British Consul Frederick W. Ramsden and his family, a male from the city.

What archives the Spaniards left have been removed to Gen. Wood's offices in the palace. The transport Minnewaska will have shortly with ordnance for Porto Rico. The Cubans earnestly request Gen. Wood to send to Manzanillo food and clothing. They declare there is much suffering there, but privately are relieved by Gen. Wood's denial of the stories of destitution and declare that work is obtainable, but that the Cubans will not work and he has, therefore, refused to send the supplies asked for.

William Stakeham, before the war American consul at Manzanillo, arrived here Tuesday and paid a visit to Gen. Wood. He reported many less acts on the part of the insurgents, who, he declares, demand tribute from every one, terrorize peaceful people and threaten the confiscation of the property of merchants and planters. Many persons say that the recognition of the Cubans has not been granted because the bandits make work and progress impossible. There is a general feeling of alarm in Manzanillo over the departure of the Spanish troops and the American soldiers are anxiously awaited.

## "GRIFFO" RUNS AMUCK.

He is Strapped in a Straight Jacket in Chicago Feeding an Examination Into His Mental Condition.

CHICAGO, Sept. 28.—Albert Griffith, better known as "Young Griffo," the pugilist, is strapped in a straight jacket at the Harrison street police station, where he is being held pending an examination into his mental condition. Griffith run amuck Tuesday evening on State street, from Congress street to Hubbard court he left a trail marked by bruised faces. Three policemen who arrested the pugilist were sent sprawling to the ground by a series of blows, and reinforcements were necessary before the prisoner was finally taken to a patrol box. Before Griffith was tied in the patrol wagon he had taken off every article of clothing which he wore. Griffith was drinking in a saloon, when he suddenly leaped into the air, turned loose a series of yells and rushed into the street where he hit everybody he could reach.

## Restoration of Gen. Graham.

WASHINGTON, Sept. 28.—Maj. Gen. William M. Graham, United States volunteer, commanding the 3d army corps, commanding the troops encamped at Middletown, Pa., will go on the retired list of the regular army with the rank of brigadier general Wednesday by operation of law on account of age. He will continue in his present command regardless of this fact, however, at least until the abandonment of Camp Meade on account of cold weather.

## COL. ROOSEVELT.

The Commander of the Rough Riders Nominated for Governor of New York.

## THE VOTE, ROOSEVELT, 133; BLACK, 278.

On Motion of Gov. Black's Friends the Nomination of Col. Roosevelt Was Made Unanimous.

Timothy L. Woodruff Was Re-elected for Lieutenant Governor—John T. McDonough Received the Nomination for Secretary.

SARATOGA, N.Y., Sept. 28.—The state republican convention was called to order at 12:30.

The gallery of the convention hall was well filled 15 minutes before the time for the delegates to meet. The Stars and Stripes fell in graceful festoons from the rail. On the stage the chief decoration was an immense bouquet of flowers which had been placed in front of the presiding officer's desk. The hall filled up fast at noon. The band played briefly. Applause in the gallery greeted the "Star Spangled Banner" and other patriotic airs. It was evidently a more than usually patriotic gathering.

Interest in the convention proceedings was shown as much by the crush at the press tables as by other manifestations. Usually there are many

LIEUT. COL. THEODORE ROOSEVELT.

vacant seats in the Saratoga convention hall. Tuesday all the seats were taken.

At 10 o'clock sharp a picture of Col. Roosevelt in his Marine uniform was brought down the aisle, and the bands struck up "Hail, the Conquering Hero Comes."

The portrait was raised above the section where the Greater New York delegates sat. The audience rose and cheered and innumerable American flags were waved.

Congressman Seno E. Payne, temporary chairman, was introduced at 10:45. He introduced the resolution that at 1:35 the convention took a recess till 2:30.

The convention reconvened at 4:00 p.m. At 4:30 p.m. J. Rider Cadby, of Hudson, moved a resolution to nominate Gov. Black.

Mr. Chauncey M. Depew took the platform at 4:35 to place in nomination Col. Theodore Roosevelt.

At 5:15 p.m. Secretary of State Palmer moved a roll call and the motion was adopted. Before it got through the New York delegation it was evident that Mr. Roosevelt had a practical walkover and at 9:30 enough votes had been cast to nominate him.

At 7:41 the roll call was completed and the vote was announced as follows: Roosevelt, 738; Black, 218.

Then the auditors and the delegates rose in a great mood and cheered. Judge Cadby got the floor and moved the unanimous nomination. While the question was pending, Senator Kram, who had supported Gov. Black, said: "On behalf of Gov. Black and his friends, I say that they will stand by Theodore Roosevelt as he stood by the country."

The nomination was made unanimous and at 7:45 the convention stood in recess until 9 o'clock.

The convention reassembled at 9:00 o'clock and speedily made the following nominations:

For Lieutenant Governor—Timothy L. Woodruff, re-elected.

Controller—William J. Morgan.

State Treasurer—John B. Jackel.

Secretary of State—John T. McDonough.

Attorney General—John C. Davies.

State Engineer—Edward A. Bond.

All but Davies were nominated by acclamation.

The following committee was appointed to be an advisory board for the state committee:

Thomas C. Platt, Chauncey M. Depew, Frank Biscoe, Edward Lantier, beech and Frank S. Witherley.

The old eagle emblem was redopted for the party and the convention adjourned sine die.

The platform congratulates the country on the conclusion of the war with Spain, endorses the patriotic wisdom of the president in the conduct of the war, and the army and navy upon the splendid victories of the war. Commends the annexation of the Hawaiian Islands and renews its allegiance to the doctrines of the St. Louis platform, and condemns and resists the democratic policies declared at Chicago. American products should be carried in American ships. The administration of Gov. Black is commended.

This communication was subse-

quently presented to the president, and a copy will undoubtedly be forwarded to the peace commission for consideration.

Adm. Dewey believes with the president that the United States should occupy the island of Luzon and shall have the reversionary rights with respect to the remainder of the islands.

## DR. NANCY GUILFORD.

A Woman, Supposed to Be the Body-Wanted of the C. & O., is Reported to Be in London, Eng.

STAMFORD, Ct., Sept. 28.—States Attorney Fassenden, immediately on learning of the supposed arrest of Mrs. Guilford in London, communicated with Gov. Cooke, and upon his request the governor asked the state department at Washington to have the United States embassy at London arrange for the provisional arrest of the woman until the required papers could reach here. Mr. Fassenden said he has since learned that the state department has cabled London as requested.

The state attorney said that from information placed in his hands by the detectives he has on the case, he believes that the woman under surveillance in London is Dr. "Nancy" Guilford.

Opposed to Removal of Columbus Statue.

NEW YORK, Sept. 28.—This telegram was sent to President McKinley Tuesday by the Cuban-American league: "The Cuban-American league believes that it voices the earnest wish of the people of both the United States and Cuba when it urges you not to permit Cuba's most interesting and sacred relic—the remains of Christopher Columbus—to be removed from America."
